CHRONIC AND ACUTE LEUKEMIAS IN ADULTS

Book Condition: New. Publisher/Verlag: Springer, Berlin | Where do you begin to look for a recent, authoritative article on the diagnosis or management of a particular malignancy? The few general oncology textbooks are generally out of date. Single papers in specialized journals are informative but seldom comprehensive; these are more often preliminary reports on a very limited number of patients. Certain general journals frequently publish good indepth reviews of cancer topics, and published symposium lectures are...
