Mental Health Nursing Case Book

By Nick Wrycraft

Open University Press. Paperback. Book Condition: new. BRAND NEW, Mental Health Nursing Case Book, Nick Wrycraft, "This is a modern multi-disciplinary text confronting a complex age and journey into recovery. It is a roadmap for every student of mental health who wants to put the most up-to-date practice fuel into their tank. The case study approach offers an authentic insight into life experiences of service users and allows the reader to re-think the relationship they have with vulnerable people in the middle of sensitive life challenges." Dr Dean-David Holyoake, University of Wolverhampton, UK This engaging book consists of 27 case studies which offer a realistic and insightful view into the experience of mental ill-health. A range of mental health problems are considered for people at different stages of the lifespan, from common problems such as anxiety or depression, through to severe and enduring conditions such as schizophrenia. Part of a new Case Book series, the book is written in an informative and clear style and utilises the latest evidence-based interventions and resources. The approach adopted: Incorporates recovery based principles Emphasizes the importance of collaborative working Values the person's perspective Actively empowers and advocates for the person to make their own...
