Snowbooks Ltd, United Kingdom, 2010. Paperback. Book Condition: New. 129 x 129 mm. Language: N/A. Brand New Book. I fell into this job quite by accident, when I discovered that I possessed the ability to see the preternatural world. There are a handful of people with similar abilities, and part of my job is to locate them, since Government Central and Infrastructure Canada like to keep track of these things. Don t ask me why. There s a malevolent force in town, and it s quite literally Valerie Steven s job to determine who s behind it and why they want to destroy the world, starting with Calgary. She ll have help, in the form of her best friend (now more or less a zombie, unfortunately), a powerful dwarf troll, and the ghost of former Canadian Prime Minister William Lyon Mackenzie King (but he goes by Bill these dayys). But that s not all - Valerie has some tricks up her sleeve and, she hopes, luck on her side. Oh, and her boyfriend, Dave. He drives a dump truck.
