Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.DYNAMIC THOUGHT IS THE SECRET TO SUCCESSThe abundance of God is like a mighty ocean, so vast you cannot possibly exhaust it or cause a shortage for others. You can go to this inexhaustible ocean with only a small cup and bring away only that small cup of bounty and blessing. Or, if you have faith enough, you can take a bucket and bring away a bucketful. It makes no difference to the ocean. Nor does it matter how often you go. Abundance is always there.The essence of Hamblin s mystical experience and philosophy was of the omnipresence, omnipotence and all-goodness of God. He believed that abounding health, sufficiency of supply, achievement, accomplishment and joy indescribable are the normal state for man., and that, to achieve this state, man needed to come into harmony with Cosmic Law.I want you to realize:That within you are infinite power and possibilities.That the inward Power can be aroused and brought into expression by holding high ideals in the mind and by affirmations and meditation.That it is necessary to spend a short time in the Unseen both night and morning.That by so doing you can enter a super-conscious realm where your word is creative.That what you speak comes to pass, that what you mentally picture must come true.That it is only by following high ideals that true success can be achieved.
