Life's That Way: A Memoir

By Jim Beaver

Penguin Putnam Inc. Paperback. Book Condition: new. BRAND NEW, Life's That Way: A Memoir, Jim Beaver, A remarkable memoir that shows the capacity of the human heart to heal after the challenge of having to say goodbye. "Even the hardest lessons contain great gifts. " Jim Beaver and his wife Cecily Adams appeared to have it all-following years of fertility treatments, they were finally parents and they were building their dream home and successful Hollywood careers. Life was good. But then their daughter, Maddie, was diagnosed as autistic. Weeks later, Cecily, a non-smoker, was diagnosed with Stage IV lung cancer. Sadly, after 14 years of marriage, Jim became a widower and a single dad. Faced with overwhelming grief, Jim reached out to family and friends by writing a nightly email-a habit he established when Cecily was first diagnosed. Initially a cathartic exercise for Jim, the prose became an unforgettable journey for his readers. "Life's That Way" is a compilation of those profound, compelling emails.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
