Zen Publications, Mumbai, 2012. Soft cover. Book Condition: New. 22 cms. 66pp. I am not, but the apparent universe is my self. We all sentient beings are, Activated as puppets, mere concepts. We exist in each others consciousness, As mere objects, mere appearances. Our existence is in Mind, is in constant Flow of Thoughts As mere concepts, Dreamlike existence. There is neither seer nor seen. There is only seeing, the function of seeing. All beings are mere illusory concepts. We are not the performer of any act, or any thought. Acts and thoughts are merely happening as conceptual functioning of totality. Every event, situation, every being, every happening is a miracle.
