Hudson Music, United States, 2013. Hardback. Book Condition: New. 295 x 226 mm. Language: English . Brand New Book. (Percussion). For the first time in print, Hudson Music has taken lessons from the eBooks contained on their award-winning DVDs and compiled them into a book/DVD package for drummers of all styles. Lessons with the Hudson Greats, Vol. 1 contains note-for-note transcriptions of many of the key exercises, grooves, fills, and concepts performed and taught by some of the greatest drummers in the world, creating a workbook that will improve your playing on just about every front. Concepts cover all the bases, including hand and foot technique builders, odd-time patterns, jazz time and comping concepts, fill ideas from basic to extremely advanced, groove creativity ideas, funk patterns including odd linear groupings, and more. These eBooks together present a fantastic amount of challenging practice material in all styles, almost like a college course in modern professional drumset playing. Not only a companion to the Hudson DVDs, the book works as a stand-alone course of study that will allow you to incorporate the concepts of many of today's leading players into your approach. Included is a DVD containing one hour and 15...
