You Don t Have to Be a Celebrity to Be a Star, is about recognizing celebrating your own celebrity. It places emphasis on you giving full recognition to the star that shines within you. It is about creating your own quotes from your trials, tribulations, triumphs, and not being afraid to being a witness to your own testimony. In this book, I decided to take a page out of my own life of being a >statistic of domestic violence and a decision to become an advocate of strength. I speak Life into the will, the passion, and the love of our being. This book isn t just about me, but about us.
