

Desert ShieldStorm: Air Mobility Commands Achievements and Lessons for the Future: Nsiad-93-40

Filesize: 7.13 MB

Reviews

Unquestionably, this is the best operate by any author. It is among the most amazing pdf i actually have read. Its been designed in an remarkably basic way which is just right after i finished reading this pdf by which basically altered me, change the way i believe.

DESERT SHIELDSTORM: AIR MOBILITY COMMANDS ACHIEVEMENTS AND LESSONS FOR THE FUTURE: NSIAD-93-40

Bibliogov. Paperback. Book Condition: New. This item is printed on demand. Paperback. 52 pages. Dimensions: 9.7in. x 7.4in. x 0.1in. GAO reviewed the Air Mobility Commands (AMC) achievements in Operations Desert Shield and Desert Storm. GAO found that: (1) AMC maintained continuous airlift operations from the United States to Saudi Arabia from the first day of Desert Shield deployment; (2) AMC averaged 65 missions per day from August 7, 1990, to November 1990; (3) AMC averaged 125 missions per day when hostilities began with Desert Storm; (4) AMC access to off-load locations was more limited in the initial months of Desert Shield than expected; (5) large backlogs of sustainment cargo caused legitimate high-priority cargo to be delayed at AMC aerial ports of embarkation; (6) additional off-load locations were made available to AMC through political negotiations and physical improvements to facilities in Saudi Arabia; (7) the Joint Chiefs of Staff and the Central Command sent representatives to major AMC ports of embarkation to reduce the large backlogs and speed the delivery of sustainment cargo; (8) the Central Commands allocation of airlift cargo capacity imposed a degree of discipline on the transportation and supply requisition systems and made field commanders and supply units aware of the limited availability of airlift cargo; (9) AMC required reserve augmentation earlier than envisioned and relied heavily on reserve volunteers for the 3 weeks prior to the presidential call-up due to the lack of an in-theater recovery base; and (10) the Air Force called up its reserves by subunits or skill categories rather than as whole units. This item ships from La Vergne, TN. Paperback.
