Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Although Sylvia falls in love with the bird hunter in the beginning and wants to impress him, she realizes the importance of protecting the environment around her from his influence. She does not give the secret of the bird away for the sake of love. Jewett shows in this story that Sylvia's world is disturbed by the appearance of the hunter. She lived happily with her grandmother in an exclusive paradise without men before. With the intrusion of the hunter in her familiar surroundings, everything changes. He is a threat to her peaceful existence and influences her future life and behaviour. This essay will show how Sylvia's attitude towards the hunter changes and how Jewett explores the sexual conflict between the two sexes in this story. 16 pp. Englisch.
