Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Grand Boulevard Investor s Guide, With Map: A Compact and Desirable Fund of Information, for Parties Desiring Homes or Investments on America s Grandest Street More intelligent, enterprising people, on the alert for investments, or planning elegant Chicago homes, ride along the Grand Boulevard, than on any other drive way in the West. And yet there is more ignorance existing as to the past, present and future of this grand drive way, than can be accounted for. Shrewd, quiet capitalists have bought and patiently held vacant, the bulk of the magnificent residence frontage; a few are building or have built, elegant homes thereon; others await the accumulation of sufficient wealth to build fine mansions. The Park Board, year after year, spend thousands in improvement and maintenance; and through all the years this real estate has until this season, remained so quiet as to have been considered dull - even dead. The rich holders have, at all times, refused to sell, and there have been long periods, when the weaker holders could not sell, for want of public information and appreciation.
