Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Carrying Out the City Plan: The Practical Application, of American Law in the Execution of City Plans The reason for preparing this book is the astonishing variation in the practical efficiency of methods actually employed and prescribed by law or legal custom in different parts of the United States in acquiring land for public purposes, in distributing the cost of public improvements, and in other proceedings essential to the proper shaping of our growing cities to the needs of their inhabitants. Mere variation in method would be of little more than academic interest in itself, but variations that result in obstructing the path of progress in one community and clearing it in another are of large practical importance. The extent and significance of these practical variations have impressed themselves more and more strongly on the writer in the course of an extended practice as a landscape architect, especially in connection with the design and execution of such municipal improvements as parks, playgrounds, public squares, parkways, streets, the placing of public buildings and the improvement of their grounds. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
