

Penguin Classics: Catalogue

By Herodotus

Paperback. Book Condition: New. Not Signed; Description: In 1946, E. V. Rieu's groundbreaking translation of *The Odyssey* established a cultural legacy that would bring the world's most compelling and influential literature to millions of readers around the globe. For over sixty-five years, Penguin Classics have been making works that were once the sole preserve of academics accessible to everyone; this catalogue offers a complete list of all titles in print across the list - more than 1,200 books, from Aristotle and Austen, to Zola and Zamyatin. "The Penguin Classics, though I designed them to give pleasure even more than instruction, have been hailed as the greatest educative force of the twentieth century. And far be it for me to quarrel with that encomium, for there is no one whom they have educated more than myself." (E. V. Rieu). book.

Reviews

This is the finest book i have got study right up until now. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.
