Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from XIX. Century Poetry: Literary Epoch Series The Literary Epoch Series is an attempt to provide, in a form and at a price suitable for School use, the elements of literary criticism; and, while not pretending to be a complete history of the literature of any epoch, it may be found to answer the demand of a large number of practical teachers for a text-book which seeks only to reproduce the essentially typical atmosphere of a literary epoch, without any attempt to cram the names and works of all the writers of that epoch. The Series, as at present designed, will contain six volumes of uniform size (about 128 pages) and uniform price (is. net). Two volumes will be devoted to each epoch, one of them dealing with the prose and the other with the poetry; and the three epochs will be: - 1. From the Armada to the Restoration. 2. From the Restoration to the French Revolution. 3. From the French Revolution to the present time. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
