

Gravity: How This Mysterious Force Will Dictate the Future of Humanity

By Gerald W Driggers

On Demand Publishing, LLC-Create Space, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Gravity is both friend and foe. Without it, none of us or the world we know would exist. Gravity holds the atmosphere to the Earth and keeps us from flying off into space. Up and down are defined by this mysterious force that continues to defy understanding. Oh, we know how to calculate weight and we know how fast things fall and all of that, but no one, absolutely NO ONE has a clue as to what makes it work. And yet, gravity has controlled our species and its predecessors for untold eons, and it will continue to do so into the foreseeable future. Humanity is on the verge of attempting to expand to other bodies in the solar system; the Moon and Mars to be specific. Gravity is and will continue to be our worst foe when it comes to such ventures. Not only does it require big, expensive rockets to overcome gravity, but once people are in orbit the lack of weight begins to immediately cause degenerative states. Muscles, bones, circulatory system, vision, everything,...
