Not illustrated. 1919 Excerpt: .Problems. because the prices we pay for work determines the prices which can be paid for labor. In other words, ManJ other important problems could be named we must not bull the labor market to the disadvan-and briefly commented on but this paper will be too tage of other production. This is public work, its hong if continued along these lines. I can not, how-continuance depends upon the support of the whole ever, resist naming without comment some of the public, and we must be careful not to alienate this other things with which an efficient State highway support by forcing our work at undue prices, thus department must also concern itself, upsetting local labor situations. This policy is not A proper system of records of the cost of all con-only right from the standpoint of expediency, but struction and of accounting for all funds available, is also economically sound. Proper publicity of plans and results, not only in the local press, but in the national press. Proper care of traffic during reconstruction. Proper touring maps for the information of the people of the State and of other States. Proper marking of the main traveled roads, keyed to the State maps. Proper accommodations for the traveling public in the way of garages, hotels, public parking places, and comfort stations. Complete knowledge and study of, and, if necessary, the design of labor and time saving devices and equipment. A study of plant layouts and equipment for various...
