By Thomas L Friedman

St Martin's Press. Paperback / softback. Book Condition: new. BRAND NEW, Hot, Flat, and Crowded, Release 2.0: Why We Need a Green Revolution--And How It Can Renew America, Thomas L Friedman, "A "New York Times Book Review "Notable Book of the Year A "Washington Post "Best Book of the Year A "Businessweek "Best Business Book of the Year A "Chicago Tribune "Best Book of the Year "" "In this brilliant, essential book, Pulitzer Prize-winning author Thomas L. Friedman speaks to America's urgent need for national renewal and explains how a green revolution can bring about both a sustainable environment and a sustainable America. Friedman explains how global warming, rapidly growing populations, and the expansion of the world's middle class through globalization have produced a dangerously unstable planet--one that is "hot, flat, and crowded." In this "Release 2.0 "edition, he also shows how the very habits that led us to ravage the natural world led to the meltdown of the financial markets and the Great Recession. The challenge of a sustainable way of life presents the United States with an opportunity not only to rebuild its economy, but to lead the world in radically innovating toward cleaner energy. And it could...
